

ABOUT GULF BEND CENTER

Gulf Bend Center is a regional provider of integrated behavioral health and intellectual & developmental disability services for Calhoun, DeWitt, Goliad, Jackson, Refugio, Lavaca and Victoria Counties.

Our experienced staff provides a wide array of treatment and support services in a professional & compassionate way. We not only support patients, but we also support families and friends, giving them the tools they need to provide the proper level of care for their loved ones.

WHO WE SERVE

Annually, the Center will serve approximately 1,900 adults with mental illness, 550 children and adolescents with an emotional disturbance or mental disorder and 200 persons with intellectual and developmental disabilities.

Approximately 21% of the people we serve are 17 years old or younger, while adults from 22 – 44 make up the majority of the people who come to us for help. While we serve seven counties, approximately 62% of our served population lives in Victoria County.

GULF BEND SERVICES

Our services are designed to meet the needs of persons who are eligible for admission to our center. Unless otherwise indicated, all services are available for eligible children, adolescents and adults. Please use this as a guide as not all specialty services are included here.

SCREENING & CRISIS RESPONSE

Available to any person in crisis residing within Gulf Bend Center's seven county service area, 24 hours a day, seven days a week. **24 Hour Toll-Free Crisis Hotline: (877) 723-3422**

ASSESSMENT

Available for individuals who are not currently admitted and who are believed to meet admission criteria. The assessment determines priority population status, diagnosis and level of need.

CONSUMER BENEFITS

Available to all individuals receiving services and who are identified as meeting admission eligibility. The goal is to assist individuals in procuring a payer and/or benefits for services received.

INFORMATION/REFERRAL

We provide an explanation of and assistance with accessing community, state, federal and private services needed or desired by individuals or families to help with their problems.

MEDICAL SERVICES

A team of professionals including psychiatrists and nurses deliver services to our mental health and intellectual and developmental disability populations.

CASE MANAGEMENT

Provided to all persons served for mental health issues. These services monitor how a person is responding to treatment and may link the person to other community agencies or resources if needed.

SPECIAL NEEDS OFFENDERS PROGRAM

Through the Texas Correctional Office of Offenders with Mental and Medical Impairments (TCOOMMI), we address the needs of adult offenders with mental illness. The program is designed using a multi-service approach to mental health treatment directed at reducing the recidivism of offenders with special needs.

SERVICE COORDINATION

Provides assistance for individuals with intellectual and developmental disabilities in accessing medical, social, educational and other appropriate services and supports.

COUNSELING

This service focuses on the reduction or elimination of an individual's symptoms of severe and persistent mental illness and increasing the individual's ability to perform activities of daily living.

To make an appointment or for general information about Gulf Bend Center's services, call 361.575.0611 or toll-free at 800.421.8825.

Please note that while there are established criteria for admission to services, each individual's presenting problems, special circumstances and intensity of need is always given the highest consideration.
